

The Northern New England Brittany Club was organized in New Hampshire in July of 1978 to promote cooperation and friendship among owners and breeders of Brittans, to encourage higher standards in breeding, training, and showing both in the field and in the show ring, and to maintain the dual dog qualities that make Brits our favorite dog for showing, bird work, hunting, and family pets

The objects of the Club, as stated in the constitution, are (a) to encourage and promote all that is possible to bring the natural qualities of Brittans to perfection: (b) to urge members and breeders to accept the standard of the breed as approved by the American Kennel club as the only standard of excellence by which Brittans shall be judged: (c) to do all in its power to protect and advance the interest of the breed by encouraging sportsmanlike participation at dog shows, obedience trials and field trials under the rules of American Kennel Club.
